

# Dhanekula Institute of Engineering & Technology

(Approved by AICTE, New Delhi, Affiliated to JNTUK, Kakinada)

## Back Up Policy

All DIET faculty, staff and students should store files directly on the college file storage server known as “DhanekulaNAS (172.16.17.3)”. which is normally mapped as your local drive provided real time drive. “DhanekulaNAS (172.16.17.3)” system takes a snapshot of files on regular basis. All files on “DhanekulaNAS” are copied in to Amazon Webservice Cloud Backup (S3 to Glacier) on regular intervals on AWS Cloud. For Long term retention, backup data is stored approximately one time a year for up to two Years. Files that are excluded from back up are “

- Any folder or file in “AllData”
- Any folder or subfolder containing a user’s windows profile
- Any file containing with .mp4. .mp3 (any multimedia file), .exe, .com, .obj
