EVENT REPORT

Date	17-20th Feb 2020
Topic Name	"Systems Engineering-Mechatronics"
Venue	ME Seminar Hall
Event	4-Day Workshop

DESCRIPTION

On the eve of **4-Day Workshop** on 17-20th Feb 2020 , Mechanical Engineering Department organized a 4-Day Workshop at ME seminar hall, Almost 40 Student with all faculty members and non-teaching staff have attended in this and made the event fruitful. The session was headed by A. SATYA, Asst. Manager & Nitish Kumar Jha (Associate system Eng), APSSDC, DASSAULT SYSTEMS. The fore noon session of four days of workshop was based on theory and the afternoon session is on the hands on application practiced by the students. The workshop was designed in such a way that the students understand, apply and analyze the practical industrial application knowledge.

At the end of session students have asked questions frequently on the Mechatronics, and

its applications point of view.
